Om Namo Bhagavate Vasudevaya is known as a Mukti, or liberation, Mantra. It is a potent spiritual formula for attaining freedom. Consistent use of this mantra will eventually, even if over many incarnations, free us from the cycles of rebirth. In this way it mitigates Karma so we are free to make true choices in our lives. True choices, not simply reacting to desire and aversion.

Om is a seed sound for the sixth, or brow, chakra and is the name of the state of existence in which the Indweller (jiva, atman, or soul) has united with the spirit of the all-pervading consciousness.
Namo here means name.
Bhagavate is one who is becoming divine.
Vasudevaya is "the Indweller".

A 'fairly' literal translation would be: "Om and salutations to the Indwelling One, substance of the Divine."

Tas Mai Sri ___Gurave Namaha

I bow to that Supreme Consciousness (Śiva)

As the Universal Divine resonance (OM)

That vibrates within my heart as hrīṁ (Śakti)--

To that (Consciousness),

Who is my beloved teacher,

I bow.
