Words & Melody from Nick Barber

C Am G C
Angel Heart, Is this another ending or a start?
Am G C (B) Am
Is there any way that they could be apart?
G F G C (G)
In the end... We come full circle again

Gentle Soul, You know each daily trouble takes its toll
But every silver lining hides a seam of gold.
In the end... We come full circle again

Angel Heart, Never be afraid to face the dark
If you are you'll never let the healing start
In the end... We come full circle again

Gentle Soul, Never be afraid to face the goal
Don't you know the light you see is your own soul
In the end... We come full circle again

Special One, Set your ship to sail into the sun
And when you finally get there you have just begun
In the end... We come full circle again
